# Set up your Sonos Roam

Mobile device required

SONOS

Sonos S2 required

This article will help you get started with setting up your Sonos Roam. You can find more information on product features and specs on [Roam's product page \(https://www.sonos.com/shop/roam.html\)](https://www.sonos.com/shop/roam.html).

## Before you start

- Turn on your Sonos Roam by pressing the button on the back or by plugging it in to power via USB cable. Roam will show a blinking green light when it's ready to be set up.
- [Download the Sonos app for iOS or Android. \(https://support.sonos.com/s/downloads\)](https://support.sonos.com/s/downloads) The app will guide you through the set up process.
